

Pricing for the BICSI courses held at the IEC

The following is the pricing schedule to take either the IN225, the IN250 or the TE350 course:

Within this pricing schedule for the courses includes:

ITS Manual	Your BICSI Lab Fee
The 40-hour BICSI course	The BICSI Workbook
Your BICSI Application Fee	BICSI Training Site Maintenance Fee
Your BICSI Exam Fee	Consumables Used During Training in the BICSI Certified Labs

In order to take the BICSI course and the BICSI exam for either the Installer, Level 2 (Copper), Installer, Level 2 (Optical Fiber) or Technician level, you must fill out an BICSI examination application. The Mid-South IEC will register your application with BICSI. All required application materials, along with the course fees, **must be received by the Mid-South IEC at least 15 working days before the day of the exam** in order to allow time for processing with BICSI. If the applications are not received 15 working days prior to the exam date, a \$50 fee will be added (this is a BICSI policy).

Being that the Mid-South IEC is contractor member association, there are two different pricing levels for the BICSI classes taught at the Mid-South IEC. They are:

Mid-South IEC Contractor Member	\$1,649 for the IN225 and \$1,699 for the IN250 or the TE350 per student
Not a member of the Mid-South IEC	\$1,909 for the IN225 and \$1,999 for the IN250 or the TE350 per student

Below are the prices if you **just** want to take IN225, the IN250 or the TE350 **test** and **NOT** take the course and you haven't taken the respective course at a BICSI ATF.

Mid-South IEC Contractor Member	\$650 per student
Not a member of the Mid-South IEC	\$750 per student

Below are the Retesting Fees of the IN225, IN250 and the TE350 courses.

Note: These retesting fees are only applicable if you have attended the entire BICSI course taught either at the IEC or another BICSI ATF.

Retest for all IEC Members (the written test only)	\$150
Retest for non IEC Members (the written test only)	\$200
Retest for all IEC Members (the hands on test only)	\$200
Retest for non IEC Members (the hands on test only)	\$250
